TY-SPRAY TOTAL RUST-STOP

TOTAL RUST-STOP is our premium organic/ inorganic alkaline rust preventative for use as an additive for dip tanks, spray cabinets and automatic wash systems for the protection of steel, iron, and yellow metal parts, including the wash equipment.

- Rust protection for steel, iron, and yellow metal parts.
- Designed for short term parts protection after cleaning.
- Highly concentrated formula that requires low usage amounts.
- Controls undissolved particles from plugging spray nozzles or drains.
- Provides vapor phase protection for wash equipment.

USE INSTRUCTIONS:

TY-SPRAY TOTAL RUST-STOP can be used at 0.1 to 0.5 ounces per 1 gallon of water for most applications. Or use **TY-SPRAY TOTAL RUST-STOP** to produce 0.5% in the rinse water cycle. Be sure to follow the manufacturer's equipment recommendations on how to properly apply additives to the rinse.
